The Kaduson, Strauss Golf Classic

William S. Kaduson founded the predecessor of Kaduson, Strauss & Co., CPAs in the mid 1980s. He chose to leave the corporate environment behind to devote more time to his family and friends. Those who knew Bill remember his sense of humor and how he helped his friends in any way he could.

In Bill's memory, the net proceeds from this year's event will be donated to organizations either assisting those fighting Diabetes or doing research to find a cure.

We thank you for your participation and support.
